Children's Safari Learning Center

Children's Safari Learning Center, 480-621-4031

Happening This Month...

Monthly Theme:

This month's theme at Children's Safari Learning Center is...

Under The Sea! We have a lot of fun activities and lessons to teach the kids more about the ocean and why it is so important!

Please send us your summer vacation photos so we can display them on the bulletin board up front! You can send them to misscamryn@azchildrensafari.com

Children's Safari Luau!!! Please come join us Friday June 30TH at 6:00 PM!!!

Need an inside activity for a hot day?

Water play, Offer simple household items.

Be sure to offer several of each item!

Pots, measuring cups, basters, sponges, hand mixers, sifters (for collecting small items) towels, nontoxic liquid soap, bowls, funnels, brushes, paint rollers and spray bottles.

plastic containers with lids (poke holes in some of them so children can explore what happens)

Water Safety Tips:

Never leave a child unattended, even if they can swim. Use a swimming buddy system. Keep the pool area locked and secure when not in use. Swim only in supervised and approved areas. Take all toys out of the pool when not in use so that children will not be tempted to go in after them.
