## Happening This Month...

Children's Safari Learning Center, 480- 621- 4031

Save the date:

The new school year is coming up for Jaguars 1, Jaguars 2, and Giraffes! The first day in your child's new classroom will be August 8th, 2018. We will be sending home notices and the teachers will help with the transitions, so they go smooth for each child! If you have any questions or concerns, please notify us so we can help! Thank you.

The National Accreditation Commission allows early childhood programs to demonstrate and document quality programs focused on on-going quality improvement and professional development. Each year the center is required to submit extensive documentation for review illustrating everything accomplished for that year. Highlights can range from new equipment to teachers beginning their higher education, to parent involvement. Every three years our center must go through validation which includes a visit by agency employees and documentation reviews. It's a detailed process but exciting! **With that all being said we will be sending out a small questionnaire on how we are doing and how we can improve! Your feedback as parents is very important too us!**

## Monthly Theme:

This month our theme is Summer Fun and Safari Adventure! We have so many fun summer activities planned this month to focus on summer and the safari!
