Children's Safari Learning Center

Monthly Theme:

This month our theme is **Summer Fun and Safari Adventure!** We have so many fun summer activities planned this month to focus on summer and the safari!

National Accreditation Commission
FOR EARLY CARE AND EDUCATION PROGRAMS

The National Accreditation Commission allows early childhood programs to demonstrate and document quality programs focused on on-going quality improvement and professional development. Each year the center is required to submit extensive documentation for review illustrating everything accomplished for that year. Highlights can range from new equipment to teachers beginning their higher education, to parent involvement. Every three years our center must go through validation which includes a visit by agency employees and documentation reviews. THAT IS THIS YEAR!! It's a detailed process but exciting! We will keep you apprised of our progress in the upcoming months.

The new school year is coming up for **Jaguars 1, Jaguars 2, and giraffes!** The first day in your child's new classroom will be **August 8th 2017**. We will be sending home notices and the teachers will help with the transitions so they go smooth for each child! If you have any questions or concerns please notify us so we can help!

Children's Safari Learning Center, 480-621-4031

Backpack Drive

We will be hosting a backpack drive July 24th – July 28th. All donations will be donated to Open Arms! They will be giving them to families in need. If you would like the donation list please stop by the front and we will provide those for you. Thank you! 😊

Summer Snack Idea:
